In the Specification

At page 53, after line 13, and before original line 14, please delete the paragraphs added via the prior Preliminary Amendment submitted on September 19, 2002, in which the addition ended with "the image file. The memory is configured to enable searching for an image file based on the one or more data fields."

In the Claims

Please amend the claims; clean version follows and marked-up version is appended.
